corded in the rallway history of Winslow as a result of freight train breaking in two, says the Mail.

About 5:30 o'clock last Sunday after. noon as the freight train in charge of and worry. Conductor David Null was slowly as cending a heavy grade near Cinder Pit the conductor climbed out over the enhoose and started to get down into the flat car ahead. Just at that moment the break in the train occurred and the rear section came to a sudden stop, throwing him head first into the Mr. Null struck heavily, sustain ing a serious fracture of the skull. He was brought to Winslow on No. 2 in an unconscious condition and tenderly arried to his home. Up to this mornng he had not fully recovered consclovsness and his condition is considered very serious. He is receiving the best of care, a trained nurse and devoted wife being in constant attendonce. If his condition warrants it, Mr. Null will be taken to the Los Angeles hospital tomorrow. Great sympathy is expressed around town for the famfly in distress

#### Left Town Gaily Decorated.

The advertising car of the Territorial of Scott Knight, has paid us a visit and left the town gally decorated with handsome posters telling of the many attractions to be presented to the public at the fair which opens at Albuquerque on the 14th of October. There is a promise of the finest trotting and ball playing ever seen in the southwest, and from the amount of effort and money that the association is expending in arranging these features ve have no doubt the promise will be made good. The street attractions, which are to be free to everyone, will constitute a good show in themselves during the whole week. Great preparations are being made for an elaborate pageant representing the coming of Montezuma, a big military force, headed by General Funston and his staff will parade, there will be war dances by 200 Navajo Indians, brilliant fireworks and a hundred other attractions tion. to interest the people. Taken as a whole the fair will be well worth going to see .- Raton Reporter.
